Information about ISESER

This event will be a useful for researchers, engineers, students, academics and anyone interested in environmental engineering and science. Through the conference, it will be possible to establish new partnerships, to share knowledge and experiences.

The purpose of the symposium is to give information about the environmental sciences and engineering to participants. In this symposium all participants will take advantage about environmental topics with the help of foreign participants and several poster and oral presentations. Also, this symposium aims to provide connections for students and to provide opportunities for experts to share and discuss their experiences.

Received papers will be accepted after peer review and all accepted articles will be printed in the proceeding book.

TOPICS

- Water Pollution
- Wastewater Pollution
- Air Pollution
- Soil Pollution
- Solid Waste Management
- Biotechnology
- Surface and Groundwater
- Renewable Energy
- Energy Management
- Microbiology
- Natural Source and Sustainability
- Ecology
- Sustainability
- Waste Recovery and Recycle
- Environmental Modeling
- Artificial Intelligence
- Fuzzy Logic
- Geographical Information
- Environmental Applications
- Pasture and Environment
- Environmental Health
- Environmental Landscape
- Related topics

Payment Types	1. Paper	Extra
Normal (Until 5 May 2019)	50 € (TL for equal price)	20 € (TL for equal price)
Late	80 € (TL for equal price)	30 € (TL for equal price)
Workshop and Exhibition (1.0 m2 area)	100 € (TL for equal price)	50 € (TL for equal price)

Account IBAN: TR34 0001 5001 5800 7305 9006 20
Bank Name: VAKIFBANK
Bank Swift Code(BIC): TVBATR2A
Bank Code: 0015
Bank Branch Code: 256
Account Type : TL should be transferred equal to 50 Euros
and description field (required): iseser2019
